AUTHOR INDEX

Aeschlimann, J.P. (Montpellier, France)
Book review of *Mechanisms of Resistance to Plant Diseases.* R.S.S. Fraser (Editor) 365
Book review of *Spider Mites. Their Biology, Natural Enemies and Control.* W. Helle and M.W. Savelis (Editors) 192
Andriesse, J.P. and Schelhaas, R.M. (Amsterdam, The Netherlands)
A monitoring study of nutrient cycles in soils used for shifting cultivation under various climatic conditions in tropical Asia. II. Nutrient stores in biomass and soil — results of baseline studies 285
A monitoring study on nutrient cycles in soils used for shifting cultivation under various climatic conditions in tropical Asia. III. The effects of land clearing through burning on fertility level 311
Alderman, S.C., Biernbaum, J.A., Hoffhines, M., Timberlake, D.M., Welch, D.P., Lacy, M.L. and Barr, R.O. (East Lansing, MI, U.S.A.)
A simulation model of the spread of *Botrytis* leaf blight of onion and its effect on onion yields 55
Allen, O.B., *see* Deveau, J.L. et al.
Andersson, F.O. (Uppsala, Sweden)
Book review of *Floodplain Forest Ecosystems. I. Before Water Management Measures.* M. Penka, M. Vyskot, E. Klimo and F. Vasicek (Editors) 280
Ballaré, C.L., Scopel, A.L., Ghersa, C.M. and Sánchez, R.A. (Buenos Aires, Argentina)
The population ecology of *Datura ferox* in soybean crops. A simulation approach incorporating seed dispersal 177
Barclay, H.J. (Victoria, B.C., Canada)
Models for pest control using food-baited traps and either insecticides or chemosterilants 41
Barr, R.O., *see* Alderman, S.C. et al.
Beckerson, D.W., *see* Deveau, J.L. et al.
Bell, J.N.B. (Ascot, Gt. Britain)
Book review of *Acid Deposition. Environmental, Economic, and Policy Issues.* D.A. Adams and W.P. Page (Editors) 360
Book review of *Pollution Control and Conservation.* M. Kovacs (Editor) 190
Bhardwaj, S.P. (Simla, India)
Investigations on the response of lepidopteran sex pheromones of temperate fruit pests in Himachal Pradesh, India 87
Biernbaum, J.A., *see* Alderman, S.C. et al.
Brahmaprakash, G.P., Panda, S. and Sethunathan, N. (Cuttack, India)
Relative persistence of hexachlorocyclohexane, methyl parathion and carbofuran in an alluvial soil under flooded and non-flooded conditions 29
Cayley, G.R., Griffiths, D.C., Pye, B.J., Smart, L.E., Stevenson, J.H. and Walters, J.H.H. (Harpenden, Gt. Britain)
Effectiveness of different spraying systems in winter wheat and biological effects on target and non-target organisms 211
Chander, P., *see* Sandhu, S.S. et al.
Danthanarayana, W. (Armidale, N.S.W., Australia) and Vitarana, S.I. (Ratnapura, Sri Lanka)
Control of the live-wood tea terminte *Glyptotermes dilatatus* using *Heterorhabditis* sp. (Nemat.) 333
Dennill, G.B. (Stellenbosch, South Africa)
Establishment of the gall wasp *Trichilogaster acaciaelongifoliae* (Pteromalidae) for the biological control of *Acacia longifolia* in South Africa 155

Deveau, J.L., Ormrod, D.P., Allen, O.B. and Beckerson, D.W. (Guelph, Ont., Canada)
Growth and foliar injury responses of maize, soybean and tomato seedlings exposed to mixtures of ozone and sulphur dioxide 223
Ghersa, C.M., *see* Ballaré, C.L. et al.
Green, C.D. (Rydalmere, N.S.W., Australia)
Book review of *Pests and Parasites as Migrants*. A.J. Gibbs and H.R.C. Meischke (Editors) 366
Griffiths, D.C., *see* Cayley, G.R. et al.
Hackerott, H.L., *see* Seifers, D.L. and Hackerott, H.L.
Hammond, W.N.O., *see* Herren, H.R. et al.
Hennessey, R.D., *see* Herren, H.R. et al.
Hermann, R.K. (Corvallis, OR, U.S.A.)
Book review of *Strategies and Designs for Afforestation, Reforestation and Tree Planting*. K.F. Wiersum (Editor) 277
Herren, H.R., Neuenschwander, P., Hennessey, R.D. and Hammond, W.N.O. (Ibadan, Nigeria)
Introduction and dispersal of *Epidinocarsis lopezi* (Hym., Encyrtidae), an exotic parasitoid of the cassava mealybug, *Phenacoccus manihoti* (Hom., Pseudococcidae) in Africa 131
Hoffhines, M., *see* Alderman, S.C. et al.
Jacquard, P. (Montpellier, France)
Book review of *Grazing Research at Northern Latitudes*. O. Gudmundsson (Editor) 93
Kapoor, P., *see* Partap, T. and Kapoor, P.
Kassas, M. (Giza, Egypt)
Book review of *Hot Desert and Arid Shrublands*. M. Evenari, I. Noy-Meir and D.W. Goodall (Editors) 265
Lacy, M.L., *see* Alderman, S.C. et al.
Lal, R., *see* Lal, S. et al.
Lal, S., Saxena, D.M. and Lal, R. (Delhi, India)
Effects of DDT, fenitrothion and chlorpyrifos on growth, photosynthesis and nitrogen fixation in *Anabaena* (arm 310) and *Aulosira fertilissima* 197
Lau-Wong, M.M. (Kathmandu, Nepal)
Field testing of the effectiveness of bacterial fertilizer in Nepal 145
Markkula, M.
Book review of *Pestizide und Umwelschutz*. G.H. Schmidt 189
Milner, R.J.
Book review of *Viral Insecticides for Biological Control*. K. Maramorosch and K.E. Sherman (Editors) 195
Neuenschwander, P., *see* Herren, H.R. et al.
Ormrod, D.P., *see* Deveau, J.L. et al.
Panda, S., *see* Brahmaprakash, G.P. et al.
Partap, T. (Simla, India) and Kapoor, P. (Chandigarh, India)
The Himalayan grain chenopods. III. An under-exploited food plant with promising potential 71
Pimentel, D. (Ithaca, NY, U.S.A.)
Book review of *Soil Conservation, assessing the National Resources Inventory*. 276
Pye, B.J., *see* Cayley, G.R. et al.
Robertson, L.N. (St. Lucia, Australia)
The effects of natural enemies on the population dynamics of sugarcane soldier fly, *Inopus rubriceps* (Dip.: Stratiomyidae) 343

Sánchez, R.A., *see* Ballaré, C.L. et al.
Sandu, S.S., Chander, P., Singh, J. and Sidhu, A.S. (Ludhiana, India)
Effect of insecticidal sprays on the plant and secondary pest inductions in *Hirsutum* cotton in Punjab 169
Saxena, D.M., *see* Lal, S. et al.
Schelhaas, R.M., *see* Andriesse, J.P. and Schelhaas, R.M.
Scifres, C.J., *see* Warren, S.D. et al.
Scopel, A.L., *see* Ballaré, C.L. et al.
Seifers, D.L. and Hackerott, H.L. (Hays, KS, U.S.A.)
Estimates of yield loss and virus titre in sorghum hybrids infected with maize dwarf mosaic virus strain B 81
Sethunathan, N., *see* Brahmaprakash, G.P. et al.
Sidhu, A.S., *see* Sandhu, S.S. et al.
Singh, J., *see* Sandhu, S.S. et al.
Smart, L.E., *see* Cayley, G.R. et al.
Spedding, C.R.W. (Reading, Gt. Britain)
Book review of *Biomass: Recent Economic Studies*. J-C. Sourie and L. Killen (Editors) 281
Stanhill, G. (Tucson, AZ, U.S.A.)
Book review of *Effects of Land Use on Fresh Waters: Agriculture, Forestry, Mineral Exploitation, Urbanisation*. J.F. de L.G. Solbe (Editor) 95
Stern, W.R. (Nedlands, Australia)
Book review of *Multiple Cropping Systems*. Charles A. Francis (Editor) 272
Stevenson, J.H., *see* Cayley, G.R. et al.
Stoop, W.A. (The Hague, The Netherlands)
Variations in soil properties along three toposequences in Burkina Faso and implications for the development of improved cropping systems 241
Teel, P.D., *see* Warren, S.D. et al.
Timberlake, D.M., *see* Alderman, S.C. et al.
Ulbricht, J. and Ulbricht, T. (London, Gt. Britain)
Book review of *English–Russian Dictionary of Agriculture*. I. Vaskhnil, V.G. Kozbovsky and N.G. Rokipiv (Editors) 370
Ulbricht. T., *see* Ulbricht, J. and Ulbricht, T.
Vitarana, S.I., *see* Danthanarayana, W. and Vitarana, S.I.
Wagstaff, H. (Edinburgh, Gt. Britain)
Husbandry methods and farm systems in industrialised countries which use lower levels of external inputs: a review 1
Walters, J.H.H., *see* Cayley, G.R. et al.
Warren, S.D., Scifres, C.J. and Teel, P.D. (College Station, TX, U.S.A.)
Response of grassland arthropods to burning: a review 105
Welch, D.P., *see* Alderman, S.C. et al.

SUBJECT INDEX

Acacia longifolia
Establishment of the gall wasp *Trichilogaster acaciaelongifoliae* (Pteromalidae) for the biological control of *Acacia longifolia* in South Africa 155
Acid deposition
Acid deposition (book review) 368
Africa
Establishment of the gall wasp *Trichilogaster acaciaelongifoliae* (Pteromalidae) for the biological control of *Acacia longifolia* in South Africa 155
Introduction and dispersal of *Epidinocarsis lopezi* (Hym., Encyrtidae), an exotic parasitoid of the cassava mealybug, *Phenacoccus manihoti* (Hom., Pseudococcidae), in Africa 131
Variations in soil properties along three toposequences in Burkina Faso and implications for the development of improved cropping systems 241
Allium cepa L.
A simulation model of the spread of *Botrytis* leaf blight of onion and its effect on onion yields 55
Anabaena (arm 310)
Effects of DDT, fenitrothion and chlorpyrifos on growth, photosynthesis and nitrogen fixation in *Anabaena* (arm 310) and *Aulosira fertilissima* 197
Arid lands
Hot deserts and arid shrublands (book review) 265
Arthropods
Response of grassland arthropods to burning: a review 105
Asia
A monitoring study of nutrient cycles in soils used for shifting cultivation under various climatic conditions in tropical Asia. II. Nutrient stores in biomass and soil — results of baseline studies 285
A monitoring study on nutrient cycles in soils used for shifting cultivation under various climatic conditions in tropical Asia. III. The effects of land clearing through burning on fertility level 311
Effect of insecticidal sprays on the plant and secondary pest inductions in *Hirsutum* cotton in Punjab 169
Field testing of the effectiveness of bacterial fertilizer in Nepal 145
Aulosira fertilissima
Effects of DDT, fenitrothion and chlorpyrifos on growth, photosynthesis and nitrogen fixation in *Anabaena* (arm 310) and *Aulosira fertilissima* 197
Azospirillum brasilense
Field testing of the effectiveness of bacterial fertilizer in Nepal 145
Azotobacter chroococcum
Field testing of the effectiveness of bacterial fertilizer in Nepal 145
Bacterial fertilizer
Field testing of the effectiveness of bacterial fertilizer in Nepal 145
Biological control
Control of the live-wood tea termite *Glyptotermes dilatatus* using *Heterorhabditis* sp. (Nemat.) 333
Establishment of the gall wasp *Trichilogaster acaciaelongifoliae* (Pteromalidae) for the biological control of *Acacia longifolia* in South Africa 155

Introduction and dispersal of *Epidinocarsis lopezi* (Hym., Encyrtidae), an exotic parasitoid of the cassava mealybug, *Phenacoccus manihoti* (Hom., Pseudococcidae), in Africa 131
The effects of natural enemies on the population dynamics of sugarcane fly, *Inopus rubriceps* (Dip.: Stratiomyidae) 343
Viral insecticides (book review) 195
Biomass
A monitoring study of nutrient cycles in soils used for shifting cultivation under various climatic conditions in tropical Asia. II. Nutrient stores in biomass and soil — results of baseline studies 285
Biomass (book review) 281
Blue-green algae
Effects of DDT, fenitrothion and chlorpyrifos on growth, photosynthesis and nitrogen fixation in *Anabaena* (arm 310) and *Aulosira fertilissima* 197
Botrytis squamosa Walker
A simulation model of the spread of *Botrytis* leaf blight of onion and its effect on onion yields 55
Burning
A monitoring study on nutrient cycles in soils used for shifting cultivation under various climatic conditions in tropical Asia. III. The effects of land clearing through burning on fertility level 311
Response of grassland arthropods to burning: a review 105
Carbofuran
Relative persistence of hexachlorocyclohexane, methyl parathion and carbofuran in an alluvial soil under flooded and non-flooded conditions 29
Cassava mealybug
Introduction and dispersal of *Epidinocarsis lopezi* (Hym., Encyrtidae), an exotic parasitoid of the cassava mealybug, *Phenacoccus manihoti* (Hom., Pseudococcidae), in Africa 131
Chemosterilants
Models for pest control using food-baited traps and either insecticides or chemosterilants 41
Chenopodium
The Himalayan grain chenopods. III. An underexploited food plant with promising potential 71
Chlorpyrifos
Effects of DDT, fenitrothion and chlorpyrifos on growth, photosynthesis and nitrogen fixation in *Anabaena* (arm 310) and *Aulosira fertilissima* 197
Conservation
Pollution control and conservation (book review) 190
Soil conservation (book review) 276
Cotton
Effect of insecticidal sprays on the plant and secondary pest inductions in *Hirsutum* cotton in Punjab 169
Crop protection
Effectiveness of different spraying systems in winter wheat and biological effects on target and non-target organisms 211
Plant resistance to disease (book review) 365
Cropping systems
Variations in soil properties along three toposequences in Burkina Faso and implications for the development of improved cropping systems 241

Datura ferox
The population ecology of *Datura ferox* in soybean crops. A simulation approach incorporating seed dispersal 177
DDT
Effects of DDT, fenitrothion and chlorpyrifos on growth, photosynthesis and nitrogen fixation in *Anabaena* (arm 310) and *Aulosira fertilissima* 197
Deserts
Hot deserts and arid shrublands (book review) 265
Dictionary
Agriculture (book review) 370
Economics
Biomass (book review) 281
Environmental protection
Pesticides and environmental protection (book review) 189
Epidinocarsis lopezi
Introduction and dispersal of *Epidinocarsis lopezi* (Hym., Encyrtidae), an exotic parasitoid of the cassava mealybug, *Phenacoccus manihoti* (Hom., Pseudococcidae), in Africa 131
Farming systems
Husbandry methods and farm systems in industrialised countries which use lower levels of external inputs: a review 1
Fenitrothion
Effects of DDT, fenitrothion and chlorpyrifos on growth, photosynthesis and nitrogen fixation in *Anabaena* (arm 310) and *Aulosira fertilissima* 197
Floodplain forests
Floodplain forest ecosystems (book review) 280
Food crop
The Himalayan grain chenopods. III. An underexploited food plant with promising potential 71
Forestry
Floodplain forest ecosystems (book review) 280
Forestation strategy and design (book review) 277
Fungicides
Effectiveness of different spraying systems in winter wheat and biological effects on target and non-target organisms 211
Gall wasp
Establishment of the gall wasp *Trichilogaster acaciaelongifoliae* (Pteromalidae) for the biological control of *Acacia longifolia* in South Africa 155
Glyptotermes dilatatus
Control of the live-wood tea termite *Glyptotermes dilatatus* using *Heterorhabditis* sp. (Nemat.) 333
Grassland
Response of grassland arthropods to burning: a review 105
The effects of natural enemies on the population dynamics of sugarcane soldier fly, *Inopus rubriceps* (Dip: Stratiomyidae) 343
Grazing
Grazing research (book review) 93
Herbicides
Effectiveness of different spraying systems in winter wheat and biological effects on target and non-target organisms 211

Heterorhabditis
Control of the live-wood tea termite *Glyptotermes dilatatus* using *Heterorhabditis* sp. (Nemat.) 333
Hexachlorocyclohexane
Relative persistence of hexachlorocyclohexane, methyl parathion and carbofuran in an alluvial soil under flooded and non-flooded conditions 29
Hirsutum
Effect of insecticidal sprays on the plant and secondary pest inductions in *Hirsutum* cotton in Punjab 169
Husbandry
Husbandry methods and farm systems in industrialised countries which use lower levels of external inputs: a review 1
Variations in soil properties along three toposequences in Burkina Faso and implications for the development of improved cropping systems 241
India
Investigations on the response of lepidopteran sex pheromones of temperate fruit pests in Himachal Pradesh, India 87
The Himalayan grain chenopods. III. An underexploited food plant with promising potential 71
Inopus rubriceps
The effects of natural enemies on the population dynamics of sugarcane fly, *Inopus rubriceps* (Dip.: Stratiomyidae) 343
Insecticides
Effects of DDT, fenitrothion and chlorpyrifos on growth, photosynthesis and nitrogen fixation in *Anabaena* (arm 310) and *Aulosira fertilissima* 197
Insecticides
Effect of insecticidal sprays on the plant and secondary pest inductions in *Hirsutum* cotton in Punjab 169
Effectiveness of different spraying systems in winter wheat and biological effects on target and non-target organisms 211
Models for pest control using food-baited traps and either insecticides or chemosterilants 41
Relative persistence of hexachlorocyclohexane, methyl parathion and carbofuran in an alluvial soil under flooded and non-flooded conditions 29
Viral insecticides (book review) 195
Insect traps
Investigations on the response of lepidopteran sex pheromones of temperate fruit pests in Himachal Pradesh, India 87
Models for pest control using fruit-baited traps and either insecticides or chemosterilants 41
Land use
Land use and fresh waters (book review) 95
Leaf blight
A simulation model of the spread of *Botrytis* leaf blight of onion and its effect on onion yields 55
Lepidoptera
Investigations on the response of lepidopteran sex pheromones of temperate fruit pests in Himachal Pradesh, India 87
Maize
Growth and foliar injury responses of maize, soybean and tomato seedlings exposed to mixtures of ozone and sulphur dioxide 223

MDMV
Estimates of yield loss and virus titre in sorghum hybrids infected with maize dwarf mosaic virus strain B 81
Methyl parathion
Relative persistence of hexachlorocyclohexane, methyl parathion and carbofuran in an alluvial soil under flooded and non-flooded conditions 29
Mites,
Spider mites (book review) 192
Multiple cropping
Multiple cropping systems (book review) 272
Nematode
Control of the live-wood tea termite *Glyptotermes dilatatus* using *Heterorhabditis* sp. (Nemat.) 333
Nitrogen fixation
Effects of DDT. fenitrothion and chlorpyrifos on growth, photosynthesis and nitrogen fixation in *Anabaena* (arm 310) and *Aulosira fertilissima* 197
Nutrient cycles
A monitoring study of nutrient cycles in soils used for shifting cultivation under various climatic conditions in tropical Asia. II. Nutrient stores in biomass and soil — results of baseline studies 285
A monitoring study on nutrient cycles in soils used for shifting cultivation under various climatic conditions in tropical Asia. III. The effects of land clearing through burning on fertility level 311
Onion
A simulation model of the spread of *Botrytis* leaf blight of onion and its effect on onion yields 55
Ozone
Growth and foliar injury responses of maize, soybean and tomato seedlings exposed to mixtures of ozone and sulphur dioxide 223
Parasites
Pests and parasites as migrants (book review) 366
Parasitoid
Introduction and dispersal of *Epidinocarsis lopezi* (Hym., Encyrtidae), an exotic parasitoid of the cassava mealybug, *Phenacoccus manihoti* (Hom., Pseudococcidae), in Africa 131
Pest control
Control of the live-wood tea termite *Glyptotermes dilatatus* using *Heterorhabditis* sp. (Nemat.) 333
Effect of insecticidal sprays on the plant and secondary pest inductions in *Hirsutum* cotton in Punjab 169
Introduction and dispersal of *Epidinocarsis lopezi* (Hym., Encyrtidae), an exotic parasitoid of the cassava mealybug, *Phenacoccus manihoti* (Hom., Pseudococcidae), in Africa 131
Investigations on the response of lepidopteran sex pheromones of temperate fruit pests in Himachal Pradesh, India 87
Models for pest control using food-baited traps and either insecticides or chemosterilants 41
Pests and parasites as migrants (book review) 366
The effects of natural enemies on the population dynamics of sugarcane soldier fly, *Inopus rubriceps* (Dip.: Stratiomyidae) 343
Viral insecticides (book review) 195

Pesticides
Pesticides and environmental protection (book review) 189
Phenacoccus manihoti
Introduction and dispersal of *Epidinocarsis lopezi* (Hym., Encyrtidae), an exotic parasitoid of the cassava mealybug, *Phenacoccus manihoti* (Hom., Pseudococcidae), in Africa 131
Pheromones
Investigations on the response of lepidopteran sex pheromones of temperate fruit pests in Himachal Pradesh, India 87
Pollution
Acid deposition (book review) 368
Growth and foliar injury responses of maize, soybean and tomato seedlings exposed to mixtures of ozone and sulphur dioxide 223
Pollution control and conservation (book review) 190
Population dynamics
The effects of natural enemies on the population dynamics of sugarcane soldier fly, *Inopus rubriceps* (Dip.: Stratiomyidae) 343
Population ecology
The population ecology of *Datura ferox* in soybean crops. A simulation approach incorporating seed dispersal 177
Resistance
Plant resistance to diseases (book review) 365
Saccharum officinarum L.
The effects of natural enemies on the population dynamics of sugarcane soldier fly, *Inopus rubriceps* (Dip.: Stratiomyidae) 343
Savanna
Variations in soil properties along three toposequences in Burkina Faso and implications for the development of improved cropping systems 241
Shifting cultivation.
A monitoring study of nutrient cycles in soils used for shifting cultivation under various climatic conditions in tropical Asia. II. Nutrient stores in biomass and soil — results of baseline studies 285
A monitoring study on nutrient cycles in soils used for shifting cultivation under various climatic conditions in tropical Asia. III. The effects of land clearing through burning on fertility level 311
Simulation model
A simulation model of the spread of *Botrytis* leaf blight of onion and its effect on onion yields 55
The population ecology of *Datura ferox* in soybean crops. A simulation approach incorporating seed dispersal 177
Soil
A monitoring study of nutrient cycles in soils used for shifting cultivation under various climatic conditions in tropical Asia. II. Nutrient stores in biomass and soil — results of baseline studies 285
A monitoring study on nutrient cycles in soils used for shifting cultivation under various climatic conditions in tropical Asia. III. The effects of land clearing through burning on fertility level 311
Relative persistence of hexachlorocyclohexane, methyl parathion and carbofuran in an alluvial soil under flooded and non-flooded conditions 29
Soil conservation (book review) 276

Variations in soil properties along three toposequences in Burkina Faso and implications for the development of improved cropping systems 241
Sorghum
Estimates of yield loss and virus titre in sorghum hybrids infected with maize dwarf mosaic virus strain B 81
Soybean
Growth and foliar injury responses of maize, soybean and tomato seedlings exposed to mixtures of ozone and sulphur dioxide 223
The population ecology of *Datura ferox* in soybean crops. A simulation approach incorporating seed dispersal 177
Spraying systems
Effectiveness of different spraying systems in winter wheat and biological effects on target and non-target organisms 211
Sugarcane soldier fly
The effects of natural enemies on the population dynamics of sugarcane soldier fly, *Inopus rubriceps* (Dip.: Stratiomyidae) 343
Sulphur dioxide
Growth and foliar injury responses of maize, soybean and tomato seedlings exposed to mixtures of ozone and sulphur dioxide 223
Tea
Control of the live-wood tea termite *Glyptotermes dilatatus* using *Heterorhabditis* sp. (Nemat.) 333
Termite
Control of the live-wood tea termite *Glyptotermes dilatatus* using *Heterorhabditis* sp. (Nemat.) 333
Tomato
Growth and foliar injury responses of maize, soybean and tomato seedlings exposed to mixtures of ozone and sulphur dioxide 223
Trichilogaster acaciaelongifoliae
Establishment of the gall wasp *Trichilogaster acaciaelongifolice* (Pteromalidae) for the biological control of *Acacia longifolia* in South Africa 155
Virus
Estimates of yield loss and virus titre in sorghum hybrids infected with maize dwarf mosaic virus strain B 81
Viral insecticides (book review) 195
Water quality
Land use and fresh water (book review) 95
Weed control
Establishment of the gall wasp *Trichilogaster acaciaelongifoliae* (Pteromalidae) for the biological control of *Acacia longifolia* in South Africa 155
Wheat
Effectiveness of different spraying systems in winter wheat and biological effects on target and non-target organisms 211
